Elegant and purposeful – the latest development of this S & S 31' design is a fast and rewarding yacht to sail with an easy sea movement and perfect manners

All hulls are built to Lloyd's approved plans and individual Certification is available as an extra. Quality is reflected throughout with a strong, sound-damped Kemp mast, generous

Sparkman and Stephens are the designers of world beaters (1st) Flyer (2nd) King's Legend (3rd) Traite de Rome (4th) Disque d'Or and (5th) ADC Accutrac.

rigging, Bruce Banks sails and Lewmar winches and deck gear. No extra charge is made for coloured hulls and both sheerline and waterlines are in gelcoat for a sharp and durable result.

Below decks the DELTA 94 is warm and quiet with a hand-built teak interior. The combination of a balsa sandwich deck with extensive lining materials makes condensation a thing of the past
